

Christmas in New York

Backstreet Boys

The song "Christmas in New York" by the Backstreet Boys is part of their 2012 holiday album, "A Very Backstreet Christmas." This album marked the band's first-ever full Christmas album and featured a mix of classic holiday songs along with original tracks. "Christmas in New York" is an original song celebrating the magic of Christmas in New York City. The song captures the spirit of the holidays with the Backstreet Boys' signature harmonies and smooth pop style, giving listeners a warm, nostalgic feel while celebrating the beauty and energy of New York during Christmas.
