

# Last Christmas

"Last Christmas", is a popular holiday song by the British band Wham!, it was released in 1984 written by George Michael. The song features a catchy melody melancholy, reflective tone, as the narrator sings about giving their heart to someone who "gave it away" last Christmas. The music has been covered by many artists over the years and remains one of the most enduring Christmas songs, still receiving significant airplay during the holiday season. It's catchy chorus, emotional depth, and timeless appeal have helped it maintain its popularity, across generations.
